## ELECTIONS 2006 TO BOARD OF DIVISION HEALTH CARE TECHNOLOGY ASSESSMENT

There will be elections of **3 new Board Members** at the General Assembly in Seoul, Korea, end of August 2006.

Each member Society is entitled to nominate candidates for the election. These nominations are given to the Nominating Committee who will - in conjunction with the Board of Division Health Care Technology Assessment – select from the list of individuals nominated by their countries and prepare the slate to be included on the ballot at the General Assembly.

In selecting nominees, please be sure that they are willing to serve and that they are aware that the Board Members are expected to travel to Board Meetings at their own expense - where possible - or at least to cover half of the ticket price.

In order that the decision can be made by the General Assembly when voting, information on your nominees are to be received by May 15<sup>th</sup> 2006.
